

Dear Photographer,

We are excited you chose Gardner Farm for your photo session! We have a few requirements and rules for those who visit the farm. We want to ensure you and your Client(s) safety while respecting the farm, as it is the homeplace for multiple families.

Before you come to the property, you MUST complete the following:

- Have a scheduled appointment, and received a confirmation email with your session date/time and designated photo area(s). Appointments must be scheduled in-advance.
- Have a copy of your business license and certificate of insurance on-file with us.
- Have a signed Waiver Release of Liability on-file with us.

Appointments are scheduled in 1-hour increments, at \$25 per hour. If you need a longer session, please request that in advance. When you receive your confirmed date/time, please be respectful of that time.

Here are a few rules for while you are here, and we ask that you inform your Clients of these while here:

- Please drive and stay on the main dirt road, South Gardner Lane, that runs through the farm, or other designated parking areas.
- We ask that you please protect our tender trees and plants, and not touching or picking the blossoms, fruit etc.
- Stay in the designated photo areas only.
- DO NOT go near or inside any of the farm buildings, barns or near any equipment as these could be very dangerous. It is your responsibility as the photographer, and you assume liability of yourself and your Clients/guests and ensure everyone's safety while at Gardner Farm.

It is imperative that these rules are followed. If any of the rules are violated, the photographer will not be allowed back on the property. Please be respectful of these rules and our property, as not to ruin this for others.

Please make payments payable to: Gardner Farm of Locust Grove LLC and attach it along with your business card, and place them in the designated payment box onsite.

If you have any questions while on-site, please call/text Ansley at 770.652.1809. To schedule an appointment, please email GardnerFarmGA@gmail.com NOTE: During the off-season, we do not answer the farm phone line, so it's best to contact us via email.

Thank you for choosing Gardner Farm for your scenic location! Please be sure to tag us or share your photos with us on Facebook (Gardner Farm) & Instagram (@GardnerFarmGA)!
